

Maternity fashion : Lady in Lace

color inspiration 

A lovely lace dress with a flattering a-line cut allow you and baby to stay cool and comfortable during the shoot! A parasol adds vintage elegance while providing shade in an outdoor session. Accessorize with a splash of color - aqua looks fabulous! - to add interest to your images. Flats and low-heel shoes keep you safe and comfortable.

Maternity fashion : Carnival

color inspiration 

Colorful, sweet, and fun - just because you're about to be a mom doesn't mean you're not a kid at heart! Red and white carnival stripes are flattering and fun. A pair of stretch-top pants keep you and your baby extremely comfortable. Add some super bright red accessories to make your images a playful affair.

*Maternity fashion : Coral Breeze*

*color inspiration* 

Coral is a lovely color for outdoor photo shoots! A long, flowy maxi dress keeps you comfortable while allowing you to show off your baby bump. Natural fiber accessories, such as a straw hat and woven bag, add casual elegance to your look. Sandals look great feel great with long dresses and prevent your feet from overheating!

*Maternity fashion : Baby Blues*

*color inspiration* 

Bright, modern, comfortable. Try a stretchy wrap on top, creating a flattering look for mom while also showing off that baby bump! Bright, bright accessories add amazing color to your photos and help to keep things looking modern. Flats are comfortable, casual and stylish for Curacao's warm weather and keep you and your baby safe!
