

summer session fashion : summer love

color inspiration

Coral and yellow solids form the base of the outfit, allowing interesting jewelry and accessories to create added detail. A flowy skirt adds a whimsical touch. Canvas accessories and shoes keep things casual. Natural fiber fabrics, such as cotton or linen, help to keep you cool in the intense heat of the Curacao sun!

summer session fashion : Lighthouse

color inspiration

A strapless, breezy a-line dress looks fabulous on just about every bodyshape and size! Soft pinks and navy blues create a classy beach nautical aesthetic. Try accessorizing your outfit with navy stripes, anchors, or a star necklace! A headband will also look great in this style. Sandals or flats complete this beautiful summer session look.

Summer session fashion : Honey B buzz

color inspiration

What a sweet look for the warm season! A flattering light blue cotton dress makes you the standout! Accessorize with golden tones to add warmth to the palette. Adding a themed necklace, such as a honeybee, creates meaning and detail in your images and allows you to express the things you love. A perfect look for an outdoor shoot.

Summer session fashion : Fresh fields

color inspiration

A stunning blend of emerald and natural leathers make for an unforgettable outfit! Perfect for outdoor photo session, this combination creates a look both rustic and modern. Accessory details add interest to your images and allow lots of room for self-expression! Combine with flats or sandals for that effortless summer look.
